# DAY 1 – NOVEMBER 14

- Arrival, check in, free food and fun!
- After the opening ceremony, students looking for teams will be paired up.
- Several workshops led by professionals and the volunteer team will be held throughout the day to teach different coding topics.
- We will also have coding activities for students to win prizes!

**14325 Goldenwest St, Westminster**

**8:30am - 6pm**

# DAY 2 – NOVEMBER 15

- Hacking time, workshops, judging, and prizes!
- Hacking will stop at 3:30 PM; we will have pitch-style judging until 5 PM.
- During judging, hackers will participate in activities and receive complimentary snacks.
- From there, we will have closing remarks and awards.

**14325 Goldenwest St, Westminster**

**8:30am - 6pm**

# DONATE

Help students turn ideas into real-world impact.

- **100% STUDENT-LED:**  
Organized by a team of volunteer students spending **hundreds** of hours to lead this event.
- **YOUR DONATION FUNDS:**
  - 🍴 Food & refreshments
  - 🏆 Student prizes
  - 🏢 Event venue

Donation Page:

Any donation amount or support gives middle and high school students the space, resources, and opportunities to build something meaningful.

*This hackathon is a separate event from the Orange County Science and Engineering Fair (OCSEF). All funds go directly towards the hackathon, not to OCSEF.*
